

## Cell Phones for Money

Contributed by Administrator  
Thursday, 04 January 2007

Donate Your Used Cell Phone (and help us collect them)It stands to reason that if you have a cell phone plan, that you have purchased a new cell phone in the last year or two, maybe between yourself, the spouse & kids even a couple.

We can use those cell phones to raise money for the school. If you have one, please send it to school with your child to be used to donate and raise money for Wood Road's kids. There are few stipulations though.

They must be in tact

They must work

They can not have things glued to them

They must be connected to an active service

Please delete your contacts (and messages if you know how)

They do need need instructions, chargers, cases or accessories, but if you have them - that great. If you are not using them, send them to

Please put them into a plastic bag (Zip Lock or similar is fantastic)

Please put your name or child's name on a note, in the bag (So we can thank & credit you)

If you wish to go a step beyond, there is a form attached that you can drop off with a nicely displayable box or container at a local business or even better a cell phone distributor. [Cell Phone Request Form & Sign](#)
